# Powder Puff 2000

The annual Junior vs. Senior powder puff football game was played on Sept. 27, 2000. The day of the game, intimidation was in the air. When game time arrived, the Juniors were alert and ready to go, while the Seniors made a late appearance. What started out to be all fun and games, turned into a game of intense tackle football. The score was tie until the last seconds of the game when the Seniors, who have traditionally dominated the entire game, defeated the Juniors. The game was well played by both teams. The crowd was very entertained during the game by the male cheerleaders.

Overall the game was a huge success raising \$1700 for prom. After the game everyone gathered at the bonfire for the post-game festivities. - Pieprzak

# A Wacky Week

The first week in October is much different for everyone here at MCHS. It is Spirit Week, the week of the Homecoming game and dance. Excitement ran through the hallways. Everyday, each class competes for points to prove they have the most school spirit. At the end of the week the points are added and a victor class is determined. Monday was hat day, Tuesday was disco/hippie dress day, Wednesday was Kris-Kros day, Thursday was class color day and the traditional Senior toga day. Friday was orange and black day. This year, the most spirited class was the Juniors. - Biewer

The 2000 Homecoming assembly was huge success this year. The assembly was planned by the Student Government. Much time was spent to get ready for it. First the homecoming court introduced and crowned. Then the spirit games began. The students and the staff participated in the following events: football pass, ball toss, tug-a-war, the endzone dance and a pie eating/bubble gum blowing contest. These events helped to get us all pumped up for the 2000 Homecoming football game which was later that evening. - Kasper

# The Winner is...

Homecoming 2000 is a memory cherished by all. It's an event that students look forward to every year. The anticipation of the nominees and the excitement of the crowd all centers around this special day. To be chosen on court is both an honor and a privilege. Students are chosen to represent their class, the student body and Marine City. At the pep assembly, the court was crowned. Queen Stacy Soulliere and King Jon Stepnitz gave speeches wishing the teams good luck.

Before the homecoming game, the court rode in convertibles down Main Street waving and smiling at the surrounding crowd. At the football game, the court proudly walked down the field representing Marine City High School in their best dress. Good times were had by all and lasting memories were made. - Pieprzak

# Building Memories

The 2000 float building contest during the week of Homecoming was closer than ever this year. As usual, all classes gathered at a fellow classmate's house where the float construction takes place. This year's theme was fairy tales. Seniors chose to do "The Old Woman who lived in a Shoe," which is a nursery rhyme. Sophomores built "King Mitas and the Golden Touch," which is a mythology tale. The Junior float was the tale "the Three Little Pigs" and Freshmen followed with the version of "Rapunzel."

During the parade the floats are judged and a winner was determined. The Class of 2001 came in first place, with second place going to the Juniors. A great effort was put forth by everyone who participated. - Biewer

# Marching to a Victory

This year's annual homecoming parade for Marine City was once again a great success. Even though it almost got cancelled due to rain, the weather pulled through to help out. The parade began at 5:00 p.m., in front of Holy Cross Church at was lead by the Grand Marshall, Mrs. Patricia Allegreen. Onlookers stood on the sidewalks to cheer on the Mariners. Marching in the parade were the band, the girls basketball teams, football teams, girls swim team, and other various MCHS groups. Following all this was the 2000 Homecoming Court and the floats. After the parade, everyone went on to the football game. - Biewer

# A Night to Remember

The 2000 Homecoming dance started out with a boom and ended with a bang! The gym was decked out like a fairy tale paradise. The unexpected no show of the D.J. was quickly surpassed when the teachers pulled together and made the dance a night to remember. With the football team's defeat the night before, good spirits floated through the gym during the festivities. Good tunes were played and we danced the night away. Traditionally, students danced to the Hokie-Pokie, the Hustle, the Alligator, the Macarana, and the Locomotion. Not to mention the Senior circle, which made the night complete. Everyone had a great time and everlasting memories were made! The night was officially a huge success. - Kasper

It was a race between the Seniors and the Teachers all week long. At the end of the week, the Seniors came in first place, leaving the Teachers in second, followed by the Juniors in third, Sophomores in forth and Freshmen in last place. What a fun week it was. - Kasper

# Winterfest Assembly

The Winterfest Assembly is an exciting and fun time of the year where the whole school gets together to celebrate the upcoming dance. In the beginning of the Winterfest assembly, the 2001 Winterfest Court is acknowledged. Soon afterwards the games begin in an uproar of excitement. This year, the games played were: cheese ball toss, tricycle stack, egg drop, and the traditional tug-of-war. # Dressed in our Best...

The coldest dance of the year, "Winterfest," was held on February 17, 2001. The theme was a costume ball in which everyone put aside their normal apparel and busted out their Halloween gear.

Not only was the student body dressed to the occasion, so was the school which helped to set the atmosphere of the dance.

The dance was put on by Student Government, the Student Leadership Class, and Class Officers. Their hard work and dedication had certainly paid off!

The night was a success and everyone had a blast! Thanks to everyone who participated. - Pieprzak

"Midnight Millennium" was the theme of the 2000 prom. The prom was held on May 13th, 2000 at the K of C hall in Marine City. Good food was served and the hall was dressed to the occasion. # Now Showing...

## The Man Who Came to Dinner

It's opening night, the lights are low, the crowd is silent, and there isn't a seat left in the house. The Marine City Players once again out did themselves by putting on the comedic play "The Man Who Came to Dinner".

Thirty-three of Marine City High's finest actors and actresses put on an exceptional performance. Along with the 33 students our very own Principal Robert Rood had the leading role, who added a more atmospheric identity to the part.

The play was presented on November 30th and again on December 1st. Producer Sharon Choate and Jay McCulloch worked hard to make the play a success! And that they did!

Mr. Rood played the notorious radio personality Sheridan Whiteside. The injured personality became stranded in a small town due to an accident on the ice. All throughout his convalescence Whiteside introduces insects, an octopus, criminals, and a host of zany personalities to the Ernest Stanley household. Superb job to the performers! - Pieprzak

# Student Government

Student Government is one of the hardest working organizations here at Marine City High School. The members are incredibly dedicated and willing to make a difference in our school.

Throughout the year they organized many events. With joint help from the student leadership class, they were successful in achieving their goals. They planned the Homecoming and Winterfest dances, which were both successes.

The students participated in the Quarters for PAWS, Walk America and Quarters for Cancer. They also sponsored an annual blood drive held in our school.

This years officers were: Amy Sonntag, Lindsay Bassett, Stephanie Herbst and Chelsey McKellar. Both the officers and members did a superb job during the school year. Their work is greatly appreciated. - *Pieprzak*

# Marching On Up

Dedication, practice, and lots of hard work have gone into the band this year. It showed when the Marine City Marching Band looked great during the fall season. Starting each game off with the National Anthem and finishing with their performance during half-time. Mr. Decker came back as Band Director this year after being at Iroquois Middle School. They also attended the traditional summer camp that improved the talent of everyone there.

This year's Drum Major was Janyne Cavasoz, who was outstanding in leading the band in its performances. Next year Elizabeth Schreiner and Kenny Satchfield have the honor of taking over her position in being the new Drum Majors. - *Biewer*

They attended a Victim Impact meeting and also a candlelight vigil at Horizon Outlet Center and represented our school and its support. At football and basketball games they sold S.A.D.D. bears as a little reminder of your decisions. During the holiday season they delivered Christmas cards to Faith Medical. # Shut 'em Down

The Marine City Varsity football team had an outstanding 2000 football season. Every single player was a leader this year and played an important role. This helped the Mariners to finish 8-1 in the regular season and 10-2 overall. The Mariners fell short of the MAC Gold championship this year by losing their first regular season game to Marysville. The Mariners received a second chance for a championship in the district final play-offs. First, they rallied for a 40-14 win over Marysville for the District 4 Championship. Then, they were defeated by St. Mary Orchard Lake stopping their championship drive short.

The Mariner's senior football captains were: Trent Attebury, Michael Lindke, Dave DeSmyther, and Brian Streitz. Good luck to the 2001 Varsity football team and all of the seniors next year. - *Lindke*

# Hangin' Tough

The Mariner's Junior Varsity football team had a fun, but unwavering season. The junior varsity ended their season at 1 and 8. They lost several battles against St. Clair, Warren Fitzgerald, and Warren Woods Tower. The Junior Varsity also lost several of its members as five key players were moved up to varsity this year. The Junior Varsity's biggest game of the season was defeating the Huskies of Lakeview High School. All the players look forward to playing Varsity football next year. # Making a Splash

The girls swim team had a great season with a league record of 4 to 2 and an overall record of 8 to 4 placing them 3rd in the MAC. This year was filled with improvement and cooperation among all the girls. Great job to Janyne for breaking the 100yd freestyle, with a time of 1:00:64, and 50yd freestyle with a time of 26:98. Also great job to Lisa, Melanie, Alicia and Janyne for breaking the 200 free relay with a time of 1:52:23. Each one of the girls had their own record and time that they were able to accomplish.

Good job to the divers who put forth an excellent season this year. Divers Andrea Endres and Jessie DeRue qualified for Regionals with Andrea advancing on to states for her third year in a row. At states, Andrea placed 8th with her best dives ever.

The captains this year were Erin Beauvais, Janyne Cavasoz, Andrea Endres and Lisa Favazza. - *Demianenko*

The Mariner team lost some close battles against arch rivals, St. Clair and Marysville. Despite a losing record, the Mariners overcame outstanding obstacles and soared to new heights.

The Mariners were led by Senior captains, Bill Galvin, Ron Couwlier, and Jon Sausser, with outstanding efforts from the underclassmen. ## The Great Wall

The Lady Mariners finished their season with a record of 5-16 . It was a tough season, but the girls played it out and gave it their all every game. The team moved up a division into the Mac Blue this year creating tougher games and stronger competition. The team was young, with only four seniors, Lindsay Bassett, Stephanie Herbst, Chelsey McKellar, and Megan Pius. Team captains for this year were Stephanie Herbst and Megan Pius.

Some good things that happened this year was when the Lady Mariners beat L'Anse Creuse by 22 points after losing to them the first time. Everyone enjoyed that game as their first league win.

The Lady Mariners enjoyed many team dinners, "circling up" before the games, and the bus rides home. Those memories will last forever. Thanks to coaches Al Warwick and Joe Daly for a fun season. - *Pius*

# A Fleet Of Mariners

The JV girls basketball team had a great season this year. They practiced hard everyday from 4:30 till 6:30 with coach Kevin Leeman and assistant coach James Nuechterlein. The JV girls played an awesome man to man defense as well as offense. When asked which game was most memorable, Ashley Emig said, "My most memorable game was against Algonac, even though we lost, it was a great game and was very close". The team improved greatly and learned a lot from this game, and it showed when they defeated Marysville, which was another exciting game. # A Hole in One

The Marine Golf team plays on the toughest course in the area: Rattle Run Golf Course. Learning to play on this course can be a real experience, especially for a young team. The 2000 Golf team was led by Senior captian Brian Hupcik, who is a skilled golfer. Even with his good leadership, the rest of the team was young and inexperienced. Most of the players were Freshmen or Sophomores who had just joined the team this year. Coach Hauke was pleased with the progress that they made throughout the season and feels that the experience these players gained will help them in future seasons.

The 2000 Golf team played a wonderful season. Overall the golfers finished with five wins and seven losses. They also finished three and seven in the MAC Gold. Next year this will be a team to contend with. - *Wilkinson*

# Rallying the Troops

The Girl's Varsity Cheerleading team has had lots of fun together this year. The girls went to a cheerleading camp called Champion Cheerleading Camp for four days this year. The team has worked on many different things this year, for example, decorating the football field for home games. The girls also put on our pep assemblies during school and cheered at them to get us all pumped up before the big games. The Varsity Cheerleading team was in charge of the jamboree, which is for younger girls interested in cheerleading. Once a week after school they attended gymnastics at ABC Gymnastics' to work on their tumbling skills. The team was led by captains Katie McClure, Stacy Soulliere, Lisa Delor, and Christa Meldrum. The team is coach by Penelope Burmann, and assistant coach, Chris Potts. # Run Like the Wind

The 2000 girl's Mariner Cross Country team ran a great season with four wins and two losses. Andrea Karl ran strong and was successful for her first year. She broke many records and is now on the Cross Country board, and MVP of the League. These girls were definitely not afraid to take a mud bath. Theodosia Davis & Amanda Braun joined the team late but were a great attachment. All the girls improved their times by the end of the season. Rain, mud, puddles, nothing could stop these girls from running their hardest throughout the season. - *Wilkinson*

# Above The Rim

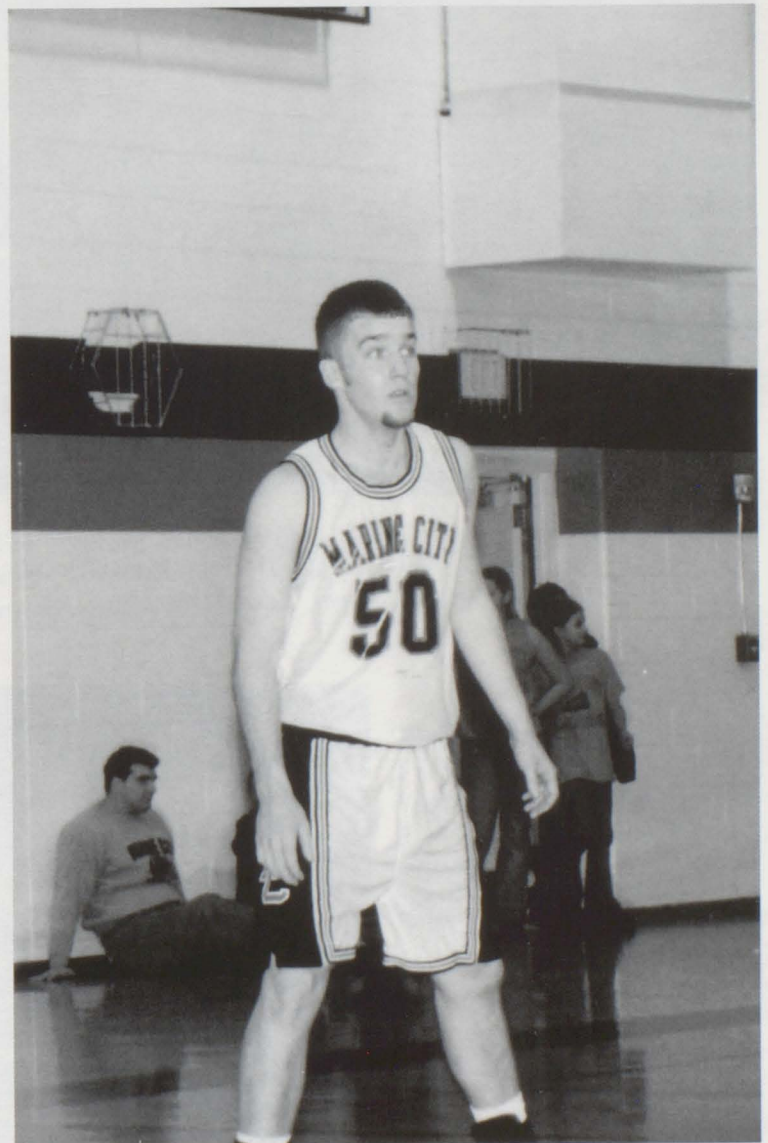

The Marine City Varsity Basketball Team finished their season 11-6 overall and placed 3rd in the MAC Gold. This was a big step in a winning direction toward contendership for the Gold title. The Varsity basketball team practiced hard and played hard every time they stepped foot on the court this season. This made the Marine City basketball team very good for such a young, inexperienced group. Starting for the Mariners were Brad Seddon, Scott Uppleger (Sophomores), R.L. Chartier, Brian Dietlin (Juniors), and Ronnie Salisbury (Senior). Senior captains were Jim Karl and Ronnie Salisbury. Jim Karl, Ronnie Salisbury, and Coach Seddon played major roles in the teams success this season. Coach Seddon's final season as head coach was a good one, he leaves a lot of good memories here. The Mariners are looking to have an even better season next year as they only lose one senior starter and return mostly experienced talent for the 2002 season. - *Lindke*

This years team really improved as the season went on. They practiced hard everyday after school. The team was coached by Mr. Westerhof who has made the Junior Varsity program a very successful one every year. Mr. Westerhof has brought hard work and dedication to this sport at Marine City. Good Luck next year. - *Lindke*

# Freshman Burn up the Court

The Freshmen Boys Basketball Team was introduced to a new coach this year to get them on their feet. Coach Leaver helped them advance to an average season. Coach Leaver's most memorable game this season was their first game. The game was played against Richmond, and Eric Moody hit a 3 point shot at the end of the game to send them to overtime. In overtime, Ryan Pizzo hit a shot to send them to double overtime, where they lost a close four point decision to the Blue Devils. Any one of these guys have a good chance next year of earning a starting position on the J.V. basketball team next season. - *Lindke*

# Varsity - Burn'em Up!

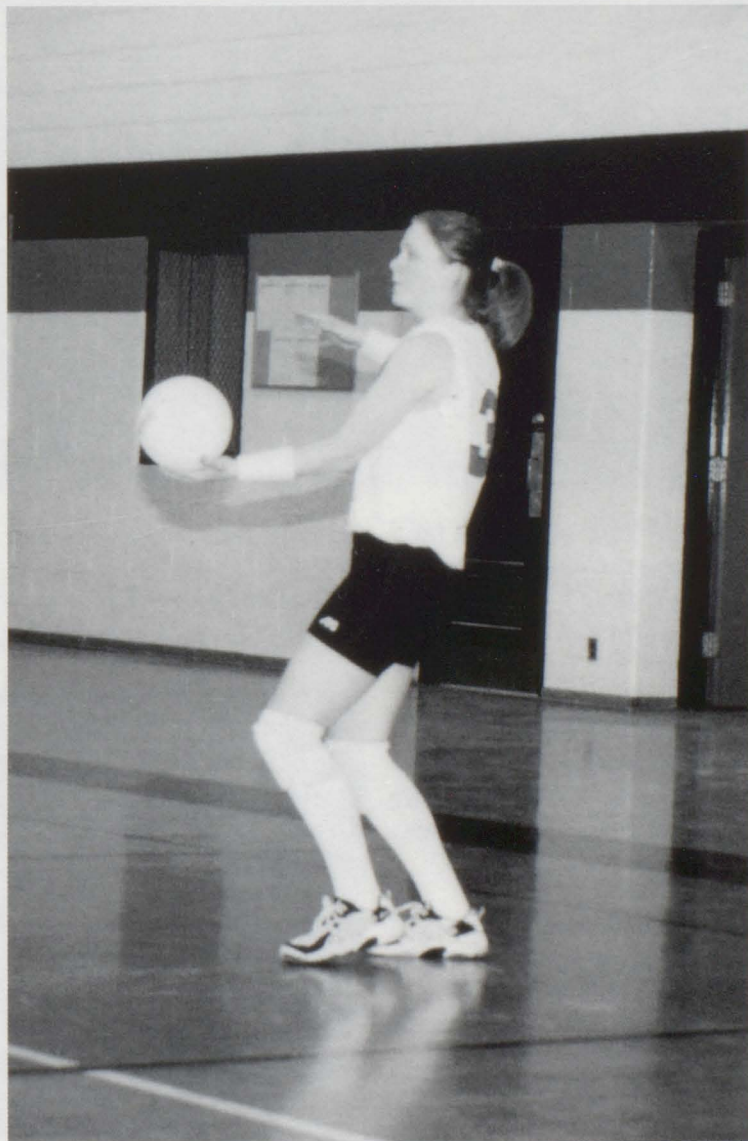

The Varsity Volleyball Team made a tough run for the league championship again this year but came up two wins short. It came down to the second meeting with St. Clair in which the Mariners lost a close match. A lot of hardwork and dedication was put into this season by both the players and coach Glodich. The team was led by seniors Janyne Cavasoz, Stephanie Herbst, Chelsey McKellar, and Megan Pius. The team practiced hard almost everyday after school and often gave up their Sunday nights. Highlights for this year were great games against Warren Lincoln and South Lake. The girls competed in four tournaments this season that included; Armanda, St. Clair, Lutheran North, and Macomb. They enjoyed all the hard competition, lots of fun, and the good food. Leading scorers were Megan Pius and Stephanie Herbst, and leading the team with kills was Janyne Cavasoz. Go get 'em next year girls and reclaim the MAC Gold as yours! - *Pius, Schuhmacher*

The J.V. Volleyball team had a great season. They worked really hard all year long. Leading the way were captains, Jennelle Achatz and Ashley Emig. With great serving and awesome hitting, these girls showed us they work great together. Jessy DeRue said, "This year we worked really good together and proved our best." The team traveled to three tournaments this season at Marysville, St. Clair, and Lutheran North and played some tough teams. # Freshman Spike Time

This year's 2000-2001 Freshmen Volleyball team had a fun season. Many of the girls became closer friends each day while at practice or playing in their games. The team's coach was Mr. Letson assisted by Sara Staskiewicz. All the girls enjoyed their new coaches because they brought excitement to the practices and games. They traveled to three tournaments in St. Clair, Anchor Bay, and Richmond which helped them improve their talent. Although they are good all around the court, their main strengths are passing and setting. # Ready to Rumble

The 2000-2001 Mariner Wrestling team was successful this year. They were led by Captains Jason Dunn, Joe Yax, and Josh Priebe. The record this year was three wins. The coaches were Mike Bladow and Bill Jordan. Mr. Bladow has been coaching this team for a while and is doing a great job. These guys had fun in practice and going to the matches because they knew they were the best team and were going to win their matches. The team is a strong one and will do good as a team and as individuals. Three of the Juniors this year who will be strong individuals next year are: Robert Hilderbrand, Jimmy Albert and Mike Tomaszycki. The seniors this year were Jason Dunn, Ray Hahn, Joe Yax, and Kenneth Schindler. Jason Dunn and Joe Yax taught the team a lot about wrestling and the little things you need to know. Josh Priebe encouraged the under classmen to succeed. Good teamwork. -*Wilkinson*

# Cheering to the Top

This year's Marine City High School Varsity Cheerleading team is made up of hardworking and very high spirited girls. Every Monday after school the girls attend a one hour gymnastic class and then come back to the school for another two hour practice. For every other day after school the team practices hard for three hours to be ready for their basketball games and competitions. "Hard work really pays off," said Lisa Delor, a junior now her second year on the varsity team. Leading the way are captains Jennifer Lee, Stacy Soulliere, Christa Meldrum, and Holly McIntyre. This year the girls were involved in seven competitions, one which was at Marine City. They cheered their hardest and won 3rd place. During their Sandusky competition the team won first place. During the month of March, the cheer team travels to the different elementary schools to teach the kids about reading. This is called Read for March. They have also put together some cheers for the younger kids as well. - *Schuhmacher*

# A HIT AND RUN

The Boys Varsity Baseball team had an average season this year. The Mariner's baseball team finished 5-5 in the M.A.C. Gold (3rd place) and 10-11 overall. They lost in the 3rd round of the play-offs to St. Clair after smoking Mt. Clemens and Marysville to advance. In one of the few sports that Marine City and Cardinal Mooney face off, the Mariners routed the Cardinals in a 11-1 whooping. They were led by the great coaching of Chuck Winzer and Randy Shagena.

The Mariner Baseball Captains were Jake Cunha, Bill Scott, David DuBois, Jason Markel, Jordan VanTiem, and Errol Mitchell. Under great Senior leadership, a good program, and a new coaching staff, next years team is bound to be even better in the 2001 season. - *Lindke*

# CATCH THIS!

The Boys Junior Varsity team had an excellent season finishing at 16-1-2. They suffered their only loss of the season at the hands of the Marysville Vikings. The team avenged their loss by crushing Marysville 14-1 in their last game of the season.

The Junior Varsity consisted of nine Sophomores and eight Freshmen who are looking to spend one more year at the Junior Varsity level. They were coached by Mr. Longuski. Next year's team is going to have a tough time repeating another great season next year. - *Lindke*

Everybody needs a little help at times. Teachers occasionally need help preparing for their classes. That's why here at Marine City High School we have teacher aides. A teacher aide is a Senior that has a grade point average of 2.5 or higher, and is a person that the teacher has personally asked to help out for the school year. These students staple, sort, and stack papers everyday to cut down on the amount of extra work that the teachers have to do. Who knows? Maybe one of these teacher aides will come back as a teacher one day! - Spencer

# Real life job experience

*Stephanie Martin, is in co-op where she works as a Receptionist.*

Students here at MCHS have two opportunities for work experience, employer based work program and co-op. Employer based program is for students who have completed one year of a tech. program. Students can job train in several different areas such as Veterinary Asst., Dental Hygienists Asst., or a Physician Asst.

Co-op is a program that is available to any MCHS student, as long as they take a marketing or a business cluster class. Students are placed in jobs by Mrs. Webb. These jobs can lead to careers for students. - Williams

You have made us very proud. Never give up. Reach for the top!

We Love

**Michael Tipper**

You have made us very proud of all your accomplishments. From the time you were little, you have always been a "Curious George", always looking for what else is out there to explore. Now that you are a grown man, continue to "explore". There is so much out in the world to learn.

Your God-given talent of music has been such a pleasure, and will always be with you all your life. You have given us the opportunity to see you grow in your music from banging the keys on Grandmas' piano, to playing the bells at church. From playing the trombone, to singing at Carnegie Hall in New York City. And seeing you learn piano and now guitar.

Continue to keep the love of music in your heart as you move onto the next stage of your life and college. And remember, the dream of one day singing with Chanticleer could happen. Dreams become goals, and goals turn into accomplishments. We love you very much, and God Bless You.

Mom, Nick, and Sheba

This page is dedicated in loving memory of  
Amy Forest. We miss you.  
The Class of 2001.

*Always Have A Dream*

*Forget about the days when it's been cloudy,  
but don't forget your hours in the sun...  
Forget about the times you've been defeated,  
but don't forget the victories you've won -  
Forget about the mistakes that you can't change,  
but don't forget the lessons that you've learned...  
Forget about the misfortunes you've encountered,  
but don't forget the times your luck has turned.  
Forget about the days when you've been lonely,  
but don't forget the friendly smiles you've seen...  
Forget about the plans that didn't seem to work out right,  
but don't forget to always have a dream.*

*Written by: Amanda Bradley*

*To Our Amy,*

*From your first breath of air as a newborn  
to the woman you are becoming, you have been a joy that  
only proud parents, like your Father and I, can understand.  
Thank you for each moment that we have shared with you.  
Now is your time to experience life and what all it has  
in store for you as an adult. Make wise choices and enjoy  
each and everyday.*

*With our Love and Support, Congratulations Amy*

Ryan,  
How can I say what I  
see in you? I am so  
proud of your  
accomplishments, and  
what you will do in the  
future. Never give  
up!! Love, Mom

# Gina Spencer

Bea,

I look at the young woman that stands before me and  
I wonder where my little girl went.

Gone are the days of "pictures," "skeetna," "geasy"  
corners, and songs that I started and you finished.

I am so proud of what you have become and what  
you aim for. Not one day goes by that you don't  
surprise me with your wit!

In all of life's struggles, when you feel like the whole  
world rests upon your shoulders, never forget that I  
love you.

Remember....."Yours is broken for a reason, God  
has a plan for you."

Love, Mom

## Ashley Geib

### Our Daughter, Our Gift

You came to us on June 25, 1983, a tiny 6 lbs. 11 oz.

You grew and developed as all little girls do.

We put you on the bus the first day of kindergarten and when we returned to get you, you stepped off the bus a beautiful 17 year old girl ready to graduate from high school.

You are the daughter all parents pray for.

Pretty, smart, sensitive, but most of all you are kind.

Ashley, your dream is to become a teacher.

Part of this dream you have already realized. You teach everyday.

You taught us how to be parents.

You taught us all how to love.

We are so proud of you!

Love you, Muffy  
Dad

Love you Susie,  
Mom

## Jeannie Yaschen

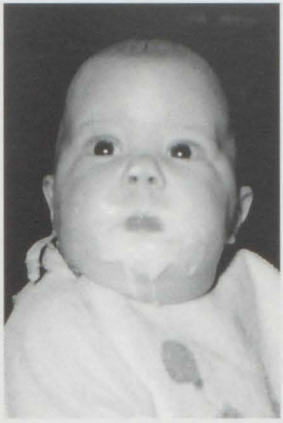

God has blessed me with a wonderful young woman. I am very proud of you and all your achievements.

The past four years have been difficult, but very rewarding. Don't ever give up, you are a strong person, and, remember you have a special angel looking after you. I wish you all the happiness that life can bring you.

I Love You,  
*Mom*

# Ashley Prusik

Dear Ashley,  
Once again you  
are growing up.  
Such a beautiful daughter. Thank you  
for sharing you school years with us,  
staying close to us, and always making  
us proud with the decisions you've made.  
You have always filled our days with so  
much love, laughter, joy and happiness.  
Trust in yourself, follow your heart, and shoot for the moon,  
even if you miss it you will land among the stars. May all  
your dreams come true as you go on in life.

We love you!  
Dad, Mom, & Joshua

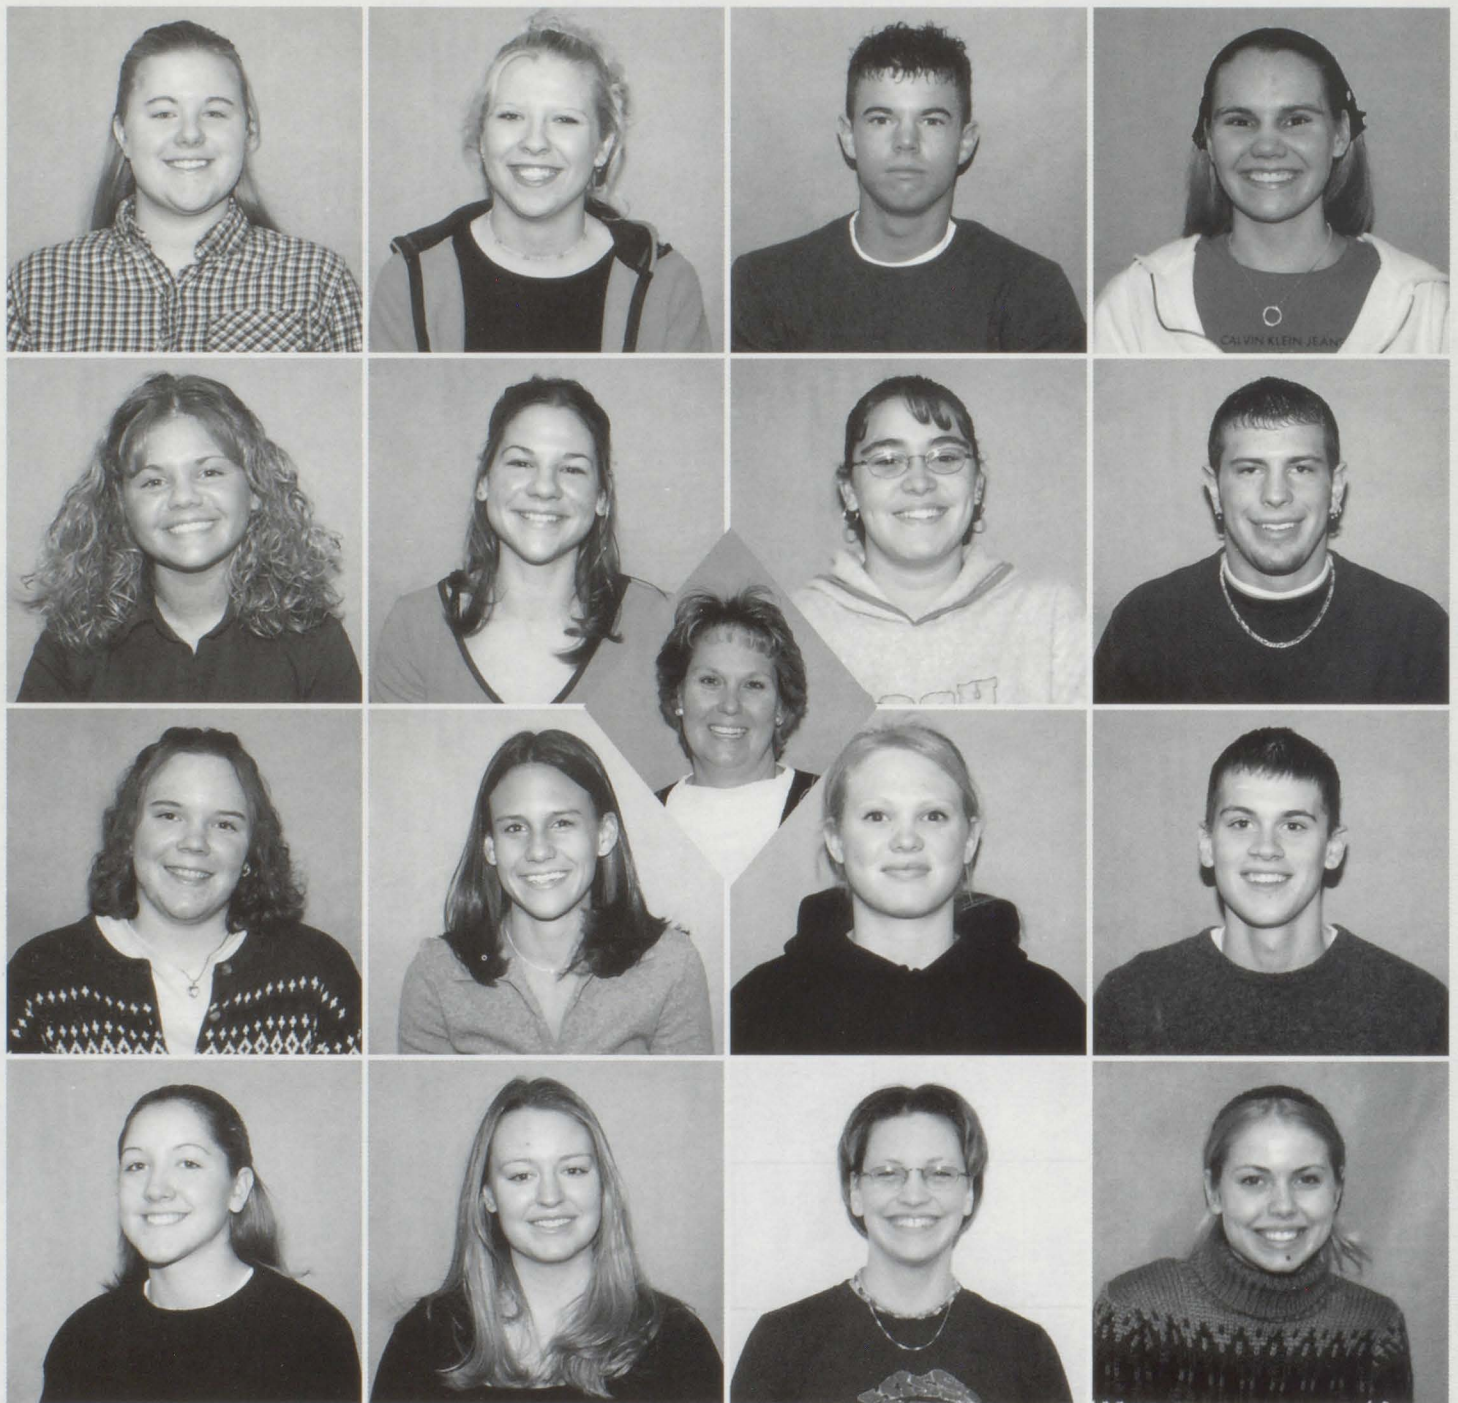

Good Job  
Ash!  
Love, Josh

Our page has turned, our years are spent,  
Where has our precious childhood went?

Four years ago we come here, so young and unsure,  
The memories we have shared are now such a blur.

We sit back and suddenly reminisce on all we've shared,  
Never before realizing how much we've ever cared.

Tongues are tied and secrets still kept,  
And at the end of the road, we have all wept.

Times full of friendship, laughter, and cries,  
No one jokes when they say, "time really flies."

Friday night games and Saturday's big scenes,  
Now become relevant only in our dreams.

Through all the good times and unforgettable bad,  
We knew this day would come, but oh so sad.

Dry the tears from your eyes, and wipe the frown off your face  
It's time to venture out in that big scary place.

Never forget me, and I'll never, ever forget you,  
And know that high school helped your dreams to come true.
